Kia Ora

My goodness didn't our children sparkle on stage on Wednesday night! I would like to take this opportunity to thank our staff once again for the time and effort they have put into making our concert such a success. The kids coped extremely well with a very busy schedule leading up to the performance and each and every one of them shone on stage. Thank you whanau for coming down to support us too. We hope you enjoyed the show.

Sadly we are losing one of our Kahikatea Team teachers to another school. Mrs Leggett has won a Deputy Principal position at Johnsonville and begins her new role at the beginning of next term. We will be sad to see her go but we are very excited for her and the new adventures ahead. Whaea Charlie will be the new teacher in Room 8 and she will also step into the Team Leader role for the Kahikatea Team.

I would also like to thank our community for your support over the term during my role as acting principal. Thanks for your patience and smiles! We look forward to seeing you all back next term.
