the top block this  
time. Well done!

Our UROCK focus at the moment is about being 'onto it' The daily teaching happening in each class every day is about being responsible and reliable. Some of the ideas shared in Room 8 about what this means is-being kind and sharing, put our hands up to answer questions, follow the rules, reduce, reuse and recycle, clean up a mess even if it's not yours. They will be talking some more about what this means and how we show being responsible and reliable at school and home.

Thank you to all the families who came along to our Three way conferences, we have had some positive feedback from you about how much you enjoyed hearing your child tell you about their learning.

We enjoyed having a chat with some of you in the staffroom prior to your child's conference.

On 14<sup>th</sup> September at 1.30 we have a paid union meeting for the staff. We would like to ask for you to take the children home at 1pm on that day as we will have limited staff here at school. We will send you a notice about this closer to the time.
