On Track Team News

Last Wednesday we went to Central Normal School for the annual Kind Heart Event. It was cool. There were lots of other schools there and we got to share our ideas of how to be kind and show kindness in our schools.

Everyone was delivering kindness cards to each school – it was amazing.

There was dancing, laughter and even a lolly scramble. Morning tea was yummy too! It was a great morning tea that filled our buckets.

We are looking forward to sharing our ideas with you all.

Kia Ora,

I am extremely proud to start this weeks newsletter off by celebrating and recognising two of our Senior Students - Ben Pasley & Tahana Wilson. A gentleman called us at school to say that Ben & Tahana had found his lost wallet. Ben had taken it home to his parents who were then made contact with the gentleman so he could get his wallet back. He was very, very grateful. Both boys displayed our UROCK values in our community. This truly shows that what we value and teach at our school is transferring into our community, which it exactly what we hope for and want. It is through such programmes like PB4L (Positive Behavior For Learning) that run across our whole school, and in each class, that our students learn and practice making positive decisions just like Ben & Tahana did. I am so proud to know that we have such amazing UROCK ambassadors showing their skills and practicing these in our community. Thank you boys for this commendable behavior.

We have two new features in our school and thanks to Mr. Telfer these are now safely placed in our grounds. Firstly we have a new Buddy Bench that was gifted to us from 'Bunnings'. This has been placed in front of our Staffroom courtyard fence. This Buddy Bench provides a place for everyone to sit. I have seen so many children enjoy sitting on the Buddy Bench this week watching others play; chatting to their friends; making new friends and enjoying the sunshine. Thank you 'Bunnings'.

The other feature in our school Mr. Telfer built. It is our new Lost Property box. This cool looking box is outside Room 3's cloak bay and beside Mrs. A's office. We will be shifting all the lost property out of the containers in Room 3's cloak bay and placing them in our new Lost Property box once it has been finished. It will be opened during the day for everyone to use and then by 3:45pm each day it will be locked. Thank you so much Mr. Telfer for making us this for us and for placing our Buddy Bench in such a great place.

Another great piece of news to share is that Mr. Telfer is feeling extremely happy with the whole school because there is hardly any rubbish anymore in our school environment, and that's because everyone is showing what their UROCK skills of 'Respect, On To It and Co-Operation' look like. I am extremely impressed too with the improvement of our environment. What a stunning place to play and learn in.

And to end my Principal/Tumuaki blurb for this week I would like to acknowledge Father's Day that is on Sunday. I wish all our Dad's a wonderful weekend, and hope your families shower you with lots of hugs and well wishes - and hopefully some poached eggs on toast.

Teena Johnson
