Kia Ora,

School Photos

We had our school photos done last week. It was so lovely to see how tidy and smart our children looked for these. Thank you for supporting them to look the best they could on this day. Once we receive the class photos we will place these up in our foyer. The children love looking at these and reminiscing about the year they had.

New curtains in our hall.

We have just had our brand new black velvet curtains installed in our hall. They look amazing. We are waiting for the stage curtains to be finished and then they will also be hung up for us. These new curtains are very important to us. Not just because they are very expensive but because they allow us to now black out our hall for various occasions and events and keep the hall cool and protected from the sun.

Sunhats & Sunblock

It's the time of the year again when we wear our hats outside and apply sunblock. Thank you whanau for supporting your children and us by putting sunblock on before school, and for also talking to your children about the importance of wearing a hat outside.

Water Only School

It has been the best improvement ever at our school - having 'New Fountains' and being a 'Water Only School'. Thank you so much for supporting us. Our children are really 'on to it' and advocate for everyone to drink water at our school.

Sports News

Touch Rugby has started. Remember to be at game 15 minutes before it starts. The Under 6, Under 8 and Under 10 teams all have their first games at 4pm and their second game at 4.30pm each Friday. The Under 12 team play at 5pm and 5.30pm each Friday.

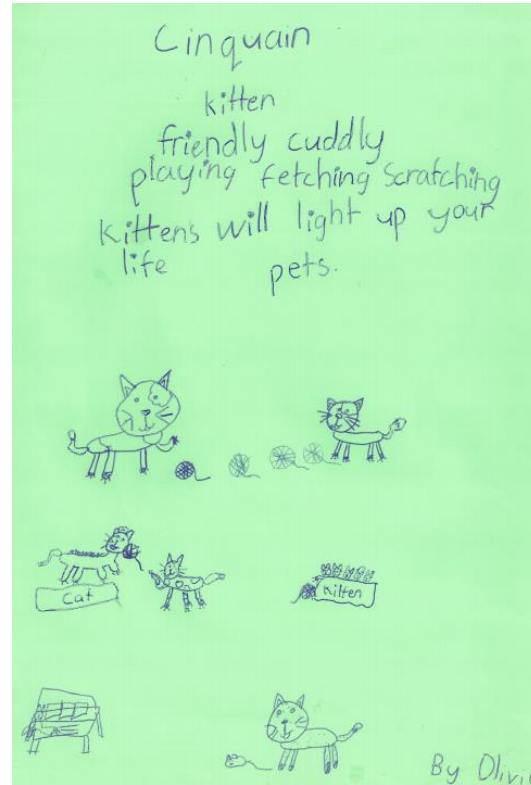

Flipperball – Players of the Day were Le'Shaye & Shaun.

Whaea Lisa has kindly offered to coach this team. It would be nice to have a support coach who can learn from Lisa and support her when she is unavailable. Please talk to Whaea Lisa if you are interested.

Please make sure that your fees are all paid up. The cost is \$35 per child. This is subsidised by the school and without your contribution we are unable to be involved in so many sports.

In Room 12 we have been revisiting fractions. The students had to come up with some shapes, divide them equally and then write the number that represents them! Some amazing learning going on.

Room 8 have been working on Cinquain Poems - here are some by Olivia, Muao and Rizvi

Does your family enjoy bliss balls, porridge, ANZAC biscuits or fruit crumble? Or indeed anything else made with oats and dried fruit?

Just Zilch are a food rescue organisation based in Palmerston North. They have had a very large donation of Edmonds 'Blitz Ball' mix packets and they would be delighted if you could help them put them to good use. The packets have Best Before dates ranging from later this month through to mid November. However, as the mixes are just oats, dried fruit, dried coconut and sunflower seeds there is no problem with using them after those dates.

Just Zilch provide support in the form of free rescued food to those who need it, but they also are out to avoid food waste, you can head over to www.justzilch.org.nz to find out more. Approximately a third of all food produced is wasted, and globally if food waste was represented as a country it would be the third largest emitter of greenhouse gases (behind China and the USA). So if you, or anyone, or any group you know would be able to use some boxes then you would be helping reduce food waste as well as providing some great tasty and nutritious food.

We have put together a number of great recipes for using them, and you can find them under Notes on their Facebook page www.facebook.com/justzilch. Alternatively just use your imagination - just think of each box as being about 1 cup oats and 1 cup dried fruit/coconut/sunflower seeds and substitute into recipes that take your fancy! Feel free to let JustZilch know of any neat recipes you come up with so they can keep sharing your great ideas.

People can just pop into Just Zilch at 248 Featherston Street in Palmerston North to pick up a few boxes, or else if you can make use of a larger quantity then get in touch with them on 022 597 2569 or email victoria@justzilch.org.nz and someone can arrange to meet you at their warehouse site or organise a drop-off to the school. Their shop is open from 1.30 - 2.30pm and 4.30 - 6pm, Monday to Friday. Everyone is welcome.
