Finally the sun is shining, let's hope it is shining for the people who have suffered loss in the recent earthquakes.

The days are flying by fast and we seem to still have so much going on at school. Next Friday the school will be holding an Inquiry showcase day. See the information below about what is happening. Come along and see what your children have been working on.

We have a number of old working computers to give away. Please contact the office if you would like one.

Keep safe

Hau Pihi at the 2016 Regionals

Story by Kody T – Rm 6

The brave rides confidently. He throws his arm over his head lifting his spear. He stares at his victim stalking him with his piercing eyes. The wind blows back his hedgehog inspired Mohawk. He swings his axe with all the force from his muscular body. His triumphs are what he is known for and also his aggressive attitude. He is quick and stealthy and is a dangerous force to be reckoned with. He uses razor sharp dual axes for killing and other things like hunting. He has a reputation as a brute. Since he is a part of the Mohawk tribe he wears traditional Native American Indian clothing. He engages battle solo and fights like a god. He fills his victims with terror before he attacks with a devastating blow. His aggressive attitude gets him in trouble because he never has a plan, all he does is kill or injure people.

Dental Treatment

If parents or students have any inquiries or wish to contact the Dental team, please contact 0800 825 583 and you will be directed to the nearest dental clinic.

Public Health Nurse Visits

The Public Health Nurse visits our school on Mondays at 12pm. Ring to book an appointment if you would like to see her. If she is not available and you are concerned about your child's health please let the office know and we can refer your child to Public Health anytime.

Warehouse Stationery

Be sure to shop at Warehouse Stationery and mention our school by name. 5% of your purchases will go back to our school.

Head Lice!

These nasties seem to be doing the rounds at the moment. Please check your child's hair regularly for eggs/crawlies in the hair and treat asap. If a child is found to have head lice at school we will phone you to collect your child so you can treat them before sending them back to school. An easy way to remove eggs/crawlies is by using conditioner and a headlice comb.

School Sores

If you notice your child has Impetigo (School sores) please take them to the doctors as they will need antibiotics to clear them up. These sores look like a skin infection and can spread from one person to another through the fluid and crusts of the sore which contain bacteria. These sores are very infectious.

CELLPHONES:

We have a number of cellphones handed in to the office. If you have lost one please come and see us.
