Kia Ora,

Over the past 2 weeks we have been enjoying the beautiful fruit that is delivered to us through the 'Fruit In Schools' programme. Thank you Mr Telfer for bringing the fruit around to all the classes.

Our wonderful volunteers have been in every morning running our Weetbix Club. Thank you Mrs A for organising this, and to our volunteers who support us and our families. We have also been recognised through the Rotary Club and the managing Directors of the Jones Family Business & Kitchen Things 'Mark & Wendy Jones', as being honorary recipients of The Peter Wilson Trust. This means that through the trust our school will receive \$5,000:00 each year, for the next 10 years to support our students in achieving their goals. We are so grateful for this recognition and support and thank those who made this possible.

Then we had one of our New Zealand Warriors Charnze Nicoll-Klokstad and his support team share with us information about the importance of leading healthy lives, and having health minds. We received a great deal of knowledge around this and prizes on this day.

So as you can see we have had lots of people in the past 2 weeks caring about us and showing us why they believe we make such a positive difference at our school.

It is therefore really important that I show you all how much we care about our students - your children, and their health and wellbeing. I have made a decision (based on observing over the past 4 weeks the dangers occurring in our carpark before school finishes and after school), to chain off the school carpark from 2:00 to 3:15pm. This is because I want to be able to ensure that everyone is safe in our school grounds and that no-one will be harmed due to vehicles coming and going (at times very quickly and dangerously). The safety of our children, whanau & friends is extremely important and this new initiative will support us in keeping everyone safe.
